CatLynxSM Manufacturer Catalogs

The #1 Web-based manufacturer catalog library for the electrical industry!

With any computer* and an Internet connection, you can instantly view manufacturers' catalog pages on over 600,000 leading electrical items by entering the catalog number or UPC code. Get more product information for your customers, or use to print submittals.

FREQUENTLY ASKED QUESTIONS

Q. Can I use CatLynx with my own Web site or eStore?

A. Yes. Real Price Solutions will license a direct link to the CatLynx Image Server providing a seamless integration between your site and our catalog library.

Q. What does it cost?

A. CatLynx is licensed on an annual basis. For current APeX subscribers, there is a discounted rate available**. For Web applications and eStores, the license is based on an annual agreement.

Q. Can the images be printed and/or faxed?

A. Yes. All images can be printed and faxed. The quality of the image will depend on your printer.

Q. Does it work with "back office" systems?

A. Yes. Real Price Solutions works with all leading vendor software systems, so you can integrate the CatLynx catalog page URL links easily into your database or web catalog.

Q. How do I order?

A. Contact RealPrice Solutions at 800-245-0336. We will assign a username and password. You can start enjoying the benefits of CatLynx immediately!

* Adobe® Reader® required. Reader is FREE from Adobe, and is available for most leading operating systems, including Windows, Macintosh, Palm, Linux, Sun Solaris, Digital Unix, IBM AIX, HP-UX, and many more.

** Branch charges may apply. Contact Real Price Solutions for more details.
