

Real Price Solutions

EPIC™ Electrical Pricing Information & Catalogs

Powerful Electronic Catalog and Updating Service

Access over 1.8 million products from over 575 electrical manufacturers and commodities. Information is updated weekly.

Export Module Available

EPIC with the APeX Interface can update your business system with data that is fully customized by you!

- Export Custom Files
- Export by Date Range
- Export by Selected Manufacturers
- Preset Data Formats

Powerful Search Capabilities

Search by UPC, catalog number, description, partial description and menu path.

Export Your Pricing to Your Contractors

EPIC's export module allows you to create and send individual price files to your contractor customers.

NEW FEATURES

- Discount Codes and Velocity Schedules Added
- Password Protection
- Administrative Module to Assign User Rights
